LB 373, 377

SPEAKER NICHOL: Senator Pirsch.

SENATOR PIRSCH: Thank you, Mr. Speaker. Senator Beutler called to my attention that I voted against this to send it out of Judiciary Committee and I must admit I am amazed. I don't know wh...I would not have, well I would say it was a typographical error, recording error, because I, too, think this is an excellent bill and a cost saver to those who are going through that process and so I would wish to hasten to add my support for this bill. And I don't know why I am recorded as being against it but I do want to clear that on the record. Thank you.

SPEAKER NICHOL: Did you wish to close, Senator Beutler? The question is the advancement of LB 373. All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 29 ayes, 0 nays, Mr. President, on the motion to advance the bill.

SPEAKER NICHOL: The bill is advanced. LB 377.

CLERK: Mr. President, 377 offered by Senator Chambers. (Read title.) The bill was read on January 17th of last year, referred to Judiciary, was advanced to General File. Mr. President, there are Judiciary Committee amendments pending.

SPEAKER NICHOL: Senator Beutler.

SENATOR BEUTLER: Mr. Speaker, members of the Legislature, I think you should pay attention to this one because I am sure there will be a discussion and a dispute that you will be called upon to exercise your judgment. Basically this little bill has to do with what happens when police officers, after police officers arrest somebody for DWI, and after they are arrested, of course, they can require a chemical blood, breath, or urine test, and if they require a blood or urine test, then the person who is being tested has
